PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Linda Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 252A at Richland Springs, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 252A to Richland Springs, Texas, as that community's first aural broadcast transmission service. Richland Springs is an incorporated city with a population in excess of 350 people. Richland Springs has its own mayor, Dale McKinnerney, its own school system, its own post office, its own volunteer fire department, its own city hall and a number of local churches. The proposed channel 252A to Richland Springs will provide additional diversity and an outlet for local self-expression to Richland Springs residents and therefore is in the public interest.

Petition for Rule Making
Richland Springs, Texas
Page 2

Attached hereto is a channel study confirming that Channel 252A can be allocated to Richland Springs, Texas consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

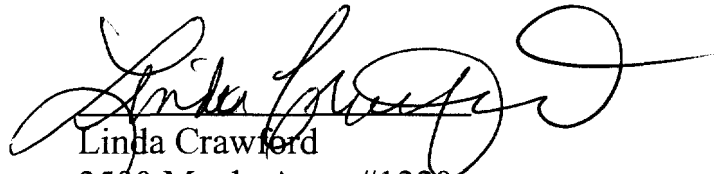

Reference coordinates are:

31 16 47 N
98 56 28 W

Should this petition be granted, and Channel 252A be allotted to Richland Springs, Texas Petitioner will apply for Channel 252A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

Linda Crawford
